

773G DRYWALL LEVEL 90cm (36")

Magnetic Stud Layout Level

605g/m	1.6mm	20mm	50mm	2

				0.5mm/m (0.0005in/in)				

FEATURES

- The original Plumb Site® Dual-View™ vial
- Three 50mm stud slots
- Standard slot layout markers at 41.7cm and 62.5 cm
- Inlaid rare-earth magnets in stud slots
- Magnetic base

APPLICATIONS

- Stud layout and alignment
- Drywall installation

ADVANTAGE

- The magnetic stud slots allow to position, align and hold the studs in place
- Use to locate studs behind drywall paneling.
- Allows you to check your plumb level accurately, without parallax error or neck strain
