

### TECHNICAL DATA

- Measurements range: 0.05 - 30 m (0.16 - 100 ft)
- Accuracy:  $\pm 2$  mm
- Resolution: 1 mm
- Measurement speed: 0.5 sec
- Battery life: 5000 measurements
- Built-In flip cover
- Keypad protection
- Area / Volume / Pythagoras measurement
- Dynamic measuring
- Storage of up to 20 measurements
- Up to 2 reference points

### APPLICATIONS

- Electrical
- Tiling
- Drywall Installation
- Woodworking

### KIT INCLUDES

- 2 X AAA batteries
- Carrying pouch
