## TECHNICAL DATA

- Accuracy:  $\pm 0.2$  mm/m ( $\pm 0.0002$  in/in)
- Self-leveling:  $\pm 3^\circ$
- Self-leveling type: Pendulum
- Dimensions: 133 mm x 89 mm x 140 mm
- Laser range:
  - Without detector: 30 m (100 ft)
  - With detector: 70 m (230 ft)
- Visual and auditory "Out of Leveling Range" warning
- ECO mode for up to 15 hours of continuous operation
- Manual mode for angular layout/markings
- Flash mode for improved visibility in bright environments
- Pulse mode
- Top and bottom 1/4" tripod threads
- USB Type C port for easy charging
- Wireless charging
- 1 m (3.3 ft.) drop tested

## APPLICATIONS

- Tiling
- framing
- Flooring
- Framing

## KIT INCLUDES

- Multi-purpose magnetic mount
- Green Beamfinder™ Glasses
- Laser Target
- Type-C USB charger
- Remote control
- Hard Carrying Case
- Elevating Platform
- Lithium-ion Battery pack
